

Lone Star State Dulcimer Society

November 9, 2019, 1 – 5 PM

The November Meeting of the LSSDS: The November meeting will be held on the 9th at our usual digs on Grauwlyer Road in Irving. The mountain dulcimers will continue our ongoing quest to fill our play list at Glen Rose next year. We'll practice the ones on the list already and try to find a couple of new ones. If anyone has a Christmas tune or two they want to share with the group, they should bring it and share also. HD folks will be doing pretty much the same and hopefully we will all jam on some tunes together. Start time is 1:00 p.m.

LSSDS meeting Schedule for 2019: November 9.

Still Looking For A Club Booth Official: If you are interested in helping man the club booth at Glen Rose next year please let Joe or me know. Joe is stepping down after something like a million years (or was it a million dollars worth of counting?) and we are looking for someone that can count to replace him. We have the official club abacus available for study and use.

The Winter Creek Reunion: Was a blast! Plan to go next year, Columbus Day Weekend.

Meeting Dates for 2020: We need to meet and decide the months we want to meet in 2020. We were trying to do the odd months but there is a conflict with the church in March. We thought about trying to do April but we'd have to meet the first weekend instead of the second because of Easter. If we do that then we might want to try a February meeting again. Give it some thought and let us hear from you. If you won't be at the meeting and want to share your opinion with us you can email Dana at: mrbanjoist@gmail.com or Joe Morgan at jmm55@verizon.net.
