September 11, 2021

**The April Meeting of the LSSDS:** My endeavors to find a more central location for the LSSDS meetings has been a bit futile lately. Not from the lack of places to try and locate but by my lack of time to locate one. Family issues have caused a lack of time for such activities. My wife is in Missouri caring for her elderly mother and I have been here doing the same. Therefore due to the lack of effort/time the September meeting of the LSSDS will be meeting at my house again at 904 Houston Street, Arlington, TX 76012. It's fairly easy to find from I-20 or I-30. From I-30 go south on Cooper Street. Cross Randol Mill, Sandford and the next street is Houston Street. Turn right and I'm on the left about 2 blocks down. From I-20 go north on Cooper. Cross lots of streets (303, Park Row, Abrams, Division and the next left is Houston Street. We'd like to start about 2 pm. Mask up if you want but please come and enjoy the music. Judy will be in Missouri taking care of her mother. My mother is living with us and loves the LSSDS meetings. We have plenty of room to meet. If I am called away to Missouri my sister will be here to help facilitate the meeting.

**LSSDS meeting Schedule for 2021:** Your guess is as good as mine.

**Meeting location for LSSDS:** This item is still up in the air.

**The Old Time Dulcimer Jam dates are:** About the same as those for the LSSDS. When it becomes available you can find it here or on the website.

## **Calendar at a glance:**

**Winter Creek Reunion:** The actual "festival" is cancelled once again for this year. The Deltoid variant seems to be blooming in their neck of the woods. Howsomer they are inviting everyone that feels comfortable with to come and have a weekend long jam session at the farm. Campgrounds will be open. No food service of any kind will be provided but there are place to eat in the general area. (Southeastern Oklahoma being "general area.") He's asking \$1650 for the instrument with stand, bag, and tuning key. You can contact Phil at 2800 N. Beaton St., Corsicana, TX 75110. (903) 872-5601.

**Suggested Tunes for the September Meeting:**

Shove That Pig's Foot A Little Closer To The Fire

Old Horse and Buggy

Hangman's reel

Amelia's Waltz

The Turners have the downloads for the first three tunes. You could get them from the Turners at: [cyturner1861@gmail.com](mailto:cyturner1861@gmail.com)

Karl Neumann has the music for Amelia's. I think Betty Odum is editing it so hopefully we will have something at the meeting.

I have these on my computer but getting them from the email to the newsletter is above my pay grade when it comes to computers. I'm still basically stuck in the 20<sup>th</sup> century and I love it here...
